### Horizon Enrolments Increase For Second Year

**Humboldt, SK** – Horizon School Division is pleased to share that student enrolment has risen to 6438 as of September 30, 2015. This total is made up of students from pre-kindergarten to grade 12, including 68 home-based students.

This number is up from 6399 students in September, 2014, and marks the second consecutive year that the division’s enrolment numbers have increased.

“These numbers are evidence of the hard work being done by our Board of Education, staff, students, parents/caregivers and education partners to make Horizon School Division a successful system,” states Director of Education, Kevin Garinger. “As our communities grow and we continue to see that reflected in our schools, we are in an excellent position to accommodate that growth.”
