Three Lakes School Walkathon

When: Friday, September 27

Three Lakes School SLC holds a walkathon each year in order to raise money to support events they host within the school. Examples of such events are bumper balls, entertainers, climbing wall, laser tag, etc. As we've done for the past few years, the SLC will donate to a bigger cause: The Terry Fox Foundation. The SLC will donate a portion of the funds raised to this very worthwhile cause.
