Horizon School Division Enrolment Is On The Rise!

The official Horizon School Division enrolment as of September 30, 2014 has been reported to the Ministry of Education as being, 6399 Pre-kindergarten to grade 12 students. This total includes 71 Home Based students. The recorded enrolment is the first time Horizon School Division has seen any significant increase in student enrolment in several years.

To view historical enrolment information please [click here](#).

“We are very happy to see the enrolment in our division rise rather than decline as we have repeatedly realized in previous years”, stated Director of Education, Kevin Garinger. “I would consider an overall increase of 83 students enrolled in our schools over the previous year to be significant and a good sign indeed. There are lots of great things happening in our region, and increased enrolments in our schools is proof that rural Saskatchewan is vibrant and experiencing growth”.

Individual school enrolments as of September 30, 2014 are reported as follows:

Year: 2014-2015	PreK-12
