Good morning, Horizon families & staff.

We made it.

Thank you, thank you, thank you. We will never be able to say it enough.

Students, staff, families, communities, and partners... you have been absolutely incredible in this unprecedented school year. You worked together and maintained a focus on learning, safety, and supporting students through what has been the most challenging school year that many of us have ever seen. We could not have made it through this year without each and every one of you.

As we get closer to the 2021-2022 school year, we will be sharing more about our planning and preparations. For now, you have all certainly earned a very restful and enjoyable break. Have a wonderful summer, Horizon.

Sincerely,
