

# Horizon Central Athletic Association (HCAA)

## 2021 HCAA Kent Lessmeister Memorial Scholarship Recipients

**Lauren Hinz, Humboldt Collegiate Institute**

**Colby Smith, Rose Valley School**

The Horizon Central Athletic Association is very proud to announce the recipients of the 2021 Kent Lessmeister Memorial Scholarship. This year's deserving recipients are Humboldt Collegiate Institute graduate Lauren Hinz and Rose Valley School graduate Colby Smith.

Lauren plans to attend the College of Kinesiology at the University of Saskatchewan and eventually go into physical therapy to become either an occupational or physical therapist.

Colby plans to attend the University of Saskatchewan in the combined Bachelor of Science in Kinesiology/Bachelor of Education program.

The Kent Lessmeister Memorial Scholarship was created by the HCAA in memory of former HCAA Executive member Kent Lessmeister, and is awarded annually to two graduating students from schools within the HCAA who will be furthering their education in Saskatchewan in a sports-related field. Lauren Hinz and Colby Smith both exemplify what Kent held dearly – staying active in school sports, strong leadership skills, sportsmanship, and role modeling within the school and the community. The HCAA sends its congratulations to both Lauren and Colby, and wish to thank them for all they have contributed to their school athletics programs and their school as a whole. We wish you the best in your future studies!
