

Dear parent or guardian,

For our last two home games of the season we are asking that one parent of each athlete spend one half of a game working in the canteen. The profits of our canteen are a huge fundraiser for our program and is essential to our existence.

If you are working the first half we ask that you show up 15 minutes before the game to help with set up. If you are working during the second half, please show up at the start of half time and relieve the first group of parents. One parent on the list will need to operate the bbq.

All food, supplies, and the cash box will be there waiting for you.

IF YOU ARE UNABLE TO MAKE YOUR SHIFT AND NEED TO TRADE – PLEASE CONTACT ANOTHER PARENT AND MAKE THE TRADE AMONGST YOURSELVES.
