Dear Family,

Welcome back to a new school year! I am so excited to be your child's teacher for grade 2 this year. I will be teaching English Language Arts, Math, Science, Social Studies, Arts Education and Health. Mrs. Bertrand and Mrs. Daubenfeld will be teaching Physical Education. Mrs. Daubenfeld will also support our classroom in her role as the learning resource teacher.

The planner will be used as a method of communication between home and school this year. Your child will fill in his/her planner daily with upcoming events and homework and you are asked to check and sign it every night. I will stamp it every morning to let you know I have read any messages or notes. I will email or phone you if I need to send you a message or reply to something you write in the planner. We will keep track of the planners using a reward/incentive chart in the classroom. We will also be using Seesaw to share activities and events from our classroom. I will send more information about this in the near future.

Our classroom and school routines are a bit different this year, due to COVID 19. We will be very diligent with hand washing, sanitizing and using our own school supplies. We will be requiring that students stay inside the classroom during class time as much as possible.

As a kick off to the new school year and as a way to get to know each other better, I am asking each student to bring his/her favorite book to school on Wednesday. Over the next few days, we will take some time to show and tell each other about our books. I will be reading one of my back-to-school favorites today!

Please remember to let the office know if your child will be absent from school. Thank you for your cooperation.

I look forward to working with you and your child. I am always open to suggestions so please don't hesitate to call me if you have any questions or concerns. I will do my best to make sure your child has a great year!

Sincerely,

Mrs. Naomi Bauml
