

Welcome to Fifth Grade with Mrs. Mueller and Mr. King!

Welcome to grade five and to a new school year! We are looking forward to getting to know you and your child. The class will be split again this year. Mrs. Mueller will have one homeroom and Mr. King will have the other. Students will have Mrs. Mueller one full day, and Mr. King the next full day.

Mrs. Mueller will be teaching all students English Language Arts and Math. Mr. King will teach Science, Social Studies, Health, and Arts Ed. The classes will have Mrs. Bernard for gym.

Continuing with our elementary tradition, we will be using planners to facilitate home/school communication. Please read and sign your child's planner each night. You can also contact us through email (traci.mueller@horizonsd.ca and jonathan.king@horizonsd.ca) or by phone (275-2133). Teachers are unable to write in the planners (Covid restrictions), so we will respond to your questions or concerns by email the same day.

Grade five holds many new and exciting lessons, such as learning a band instrument, studying the body systems, and learning long division and algebra. It is expected that all students read, practice their Math facts and study their spelling words at home regularly.

We are looking forward to working with all of you. Here's to a great year!

Mrs. Traci Mueller and Mr. Jonathan King
