# Creating a Reading Club Account

Dear Parent,

We're so excited to welcome you to our Reading Club Online website, where you can browse, shop and pay for your child's order all in one place!

As always, your order will still need to be submitted by the classroom teacher and will arrive to the classroom, but the shopping experience is all yours!

Getting started is easy at [www.scholastic.ca/canadaclubs](http://www.scholastic.ca/canadaclubs)

## 1. Start by Connecting to your Child's Teacher.

P.S. Next time you come back, just log in with your email address here!

## 2. Find your Teacher by searching your Province and City or by Postal Code.

## 3. Select your School using the Dropdown Menu.

4. Then, find your Teacher's name.

The screenshot shows a form titled "Connect to Teacher". At the top, there is a header with a person icon and a close button. Below the header, the form contains the following fields: "SCHOOL" with the address "RGC Demo, 175 Hillmount Rd, Markham, L6C 1Z7"; "YOUR TEACHER'S NAME" with a sub-label "TEACHER'S NAME"; and a link that says "Can't Find Your Teacher?".

5. Click Create an Account and fill out the required information.

The screenshot shows a form titled "Create an Account". It includes several input fields: "FIRST NAME", "LAST NAME", "EMAIL ADDRESS", and "PASSWORD" (with a "HIDE" link). Below the password field is a note: "(Please make sure your password has at least 7 characters and contains both letters and numbers. Special characters may be used.)". There is also a "MOBILE PHONE NUMBER (optional)" field with an example "e.g. 416-000-0000". Under "LANGUAGE PREFERENCE", there are radio buttons for "English" (selected) and "French". Under "EMAIL PREFERENCE", there is a checkbox for "Send me emails with exclusive offers, product recommendations, and more." At the bottom, there is a paragraph of text: "This email address will be used only by Scholastic Canada Ltd to communicate with you electronically, according to your preferences. You can review and update your email preferences or unsubscribe at any time from your Profile page. Additional information".

6. Now it's time to Add a Child to your account. Your child's information will be used to notify their teacher of your orders and personalize your experience on our site. You can add as many children as you like.

The screenshot shows a form titled "Add a Child". It starts with a message: "Thank You For Creating an Account! Please add your child's information below." Below this is a section titled "Your child's information will be used to:" with a bulleted list: "Notify teachers of your orders", "Personalize your experience on our site", and "Help us recommend appropriate books". A link "See our [PRIVACY POLICY](#)." follows. The form then has several input fields: "CHILD'S FIRST NAME (minimum 2 characters)" with a "FIRST NAME" input; "CHILD'S LAST NAME (minimum 2 characters)" with a "LAST NAME" input; "GRADE" with a "Select Grade" dropdown; and "BIRTHDATE (optional)" with "Birth Month" and "Birth Year" dropdowns.
