Mr. Trevor Otsig - Principal

Re: School Update, Tuesday, March 17th, 2020

Dear Families of Three Lakes School:

As this COVID-19 is everchanging, we want to keep you updated with the latest that we know at the school level. This Thursday, March 19th will be the last day for your child(ren) to attend school. Friday schools will be closed to the public until further notice. At this point, we are unsure of when students will return, so we are asking that all students remove their personal effects from school, including books, physical education clothing, and so on, as well as cleaning out all lockers and desks. This must be done by 3:30 this Thursday, March 19th or sooner. Students should keep all of their books, textbooks, notebooks, etc. as they may need them again at some point in the future. Even though textbooks and library books are being sent home, families will be responsible for returning them. We are not sure of what that future looks like at this moment, but more information will be shared as we receive it.

If you choose to keep your child(ren) home now, please just let the school know. If you have any questions please contact the school. Be assured we are taking all precautionary measures at school to keep everyone safe and healthy. These are tough times and we will get through this together.

Take care.

Mr. Trevor Otsig
