Two with the most votes will be then taught next year at the same time. ___ Physical Education 20 (Term 1 and 2) OR ___ Art 30 (Term 1 and 2) OR ___ Psychology 30 (Term 1 and 2)
	* Grade 11's must take a minimum of 3 electives in school (only 1 spare in Grade 11) ** Distance Ed classes are over and above the required class load	* Grade 12's must take a minimum of 3 electives in school (maximum 2 spares in Grade 12) ** Distance Ed classes are over and above the required class load *** Distance Ed Math: Calculus 30 counts as an In-house class

Please note:

- All students are required to place a check mark in the classes they are going to take next year. Please read the criteria for each grade level.
- If students are interested in taking distance education classes, they must see Mr. Otsig about the classes which may be available.
- Those students who are interested in taking **Distance Ed Math: Calculus 30 (Term 2)** should let us know right now. There is a section of this class with a quality instructor and we would like to get our students in that section. It fills up quickly!
- All forms must be signed, dated and turned into Mr. Otsig by Wednesday, June 14, 2017 at 9:00 am.
- If you have any questions please do not hesitate to ask!!
