

Good day everyone!

We would like to share a few upcoming events occurring in January 2018. These presentations are in alignment with our school and school division's Safe and Caring goals.

In response to some weird activities involving younger students being approached by strangers within our division, we are happy to have Constable Nic Lewis coming to our school Thursday, January 11th, 2018, to give students from Kindergarten to Grade 7 a presentation on how to be safe in and outside of school. The presentation will be from 9:00 – 10:00 am. We hope this will remind students to always be safe, during school and outside of school.

We are also pleased to have Mr. Crandall Hrynkiw, Superintendent of Learning Services for Horizon School Division coming to Three Lakes School on Tuesday, January 16th, 2018, to give a presentation to students, staff, and parents, titled "Social Media Awareness and Digital Citizenship". Students Grades 6-9 will go from 1:05 pm – 2:05 pm, grades 10-12 will go from 2:10 pm - 3:10 pm, and parents will get their own session 3:30 pm – 4:30 pm. All parents are encouraged to attend!!

We will also be having an exhibit at our school in early January for a couple of days. We hope it is here around January 11th and 12th. It is the "Vimy to Juno Exhibit". Parents and anyone else is welcome to come to the school and check it out. Once we have concrete days, we will send out the notice.

Its been a busy start to the winter season around Three Lakes. The students and staff did a great job hosting our annual Christmas Concert with some festive songs and great drama productions! Thanks for all your hard work putting this together Mrs. Mertz, Mrs. Cleveland, Mrs. Mansfield, Mrs. Krentz and Mrs. Otsig!

One last thing, don't forget about the Alumni Basketball games December 30th. Girls play at 6:30 pm, boys at 7:30 pm.

Merry Christmas and a happy holiday to all!

Three Lakes School
