

AF 261 - High Risk Activity Annual Informed Consent Form

Below is a list of activities that have been identified as high risk in nature and that may occur at your child's school as part of the school's curricular or extra-curricular programming. The guidelines for all student activities have been set out in Horizon School Division's [Safety Guidelines for Student Activities](#) and must be followed for all activities.

Element of Risk:

Educational activity programs, such as the activities listed below, involve certain elements of risk. Injuries may occur while participating in the activities outlined below. The risk of sustaining injuries results from the nature of the activity and can occur without fault of either the student, the school, or Horizon School Division, its employees/agents or the facility where the activity is taking place. By choosing to take part in the activity, you are accepting the risk that you/your child may be injured. The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

Throughout the course of a school year, your child may be participating in the activities that are checked off below. This form must be completed, signed and returned to the school, before your child can participate in these activities.
