Mr. Trevor Otsig - Principal

Dear Parents/Caregivers,

On Friday, October 4th at 1:30 pm, we are fortunate to be able to attend a presentation for our Gr 6-12 students at Lake Lenore School along with students from several surrounding schools. The Life is Worth Living presentation spreads awareness and decreases the stigma surrounding mental illness and suicide. Please see the attached brochure for more information about the Life is Worth Living organization and its mission or visit <https://www.lifeisworthlivingbck.com/>

As these topics can be very sensitive for some students, our student counsellor, Leia Thirsk, will be joining us for the afternoon. Should the need arise, she will provide support to our students. Please fill out and return the bottom portion of this note if you **do not want** your child attending this presentation.

As always, if you have concerns or questions, feel free to contact me at any time.

Sincerely,

Mr. Otsig
