Mr. Dwane Burke - Principal
tlks.school@horizonsd.ca

Hello Families!

Volleyball season is underway! We are excited to see students on the court. We thank everyone for understanding and working through the precautions and protocols in place to ensure we have this athletic opportunity available for our students. We thank our parent drivers and game day volunteers. Without this support our athletic programs would not be manageable.

Parent-Teacher interviews will look different this year. We will be organizing phone call interviews. Expect to see more information about this process ahead of November 9th.

Halloween is upon us. Please take a look at this year's protocols below:

- If sending treats to be shared with your child's classmates please have them sent by Wednesday morning to allow them to sit for 48 hours before they are distributed on Friday
- All treats should be pre-packaged
- Face paint/make-up should NOT be part of any costumes in an effort to help decrease students touching their faces, and prevent interference with facemasks
- Costumes for kindergarten to grade three students can include Halloween face masks
- Grade 4-12 students cannot wear Halloween face masks as it will interfere with their COVID masks

Our next SCC meeting is scheduled for 7pm on November 2nd. You are invited to attend.

That's all for now. Have a great and safe weekend!

- *Mr. Burke*
