Good afternoon Three Lake School families,

Happy Halloween! We wish everyone a safe and joyful Halloween weekend. We encourage everyone to be safe by practicing physical distancing, wearing masks, and utilizing proper hand hygiene during your Halloween activities. As COVID cases rise in Saskatchewan and families take part in activities that bring people together we want to do our best to keep our students safe here at Three Lakes School.

**School pictures are scheduled for Monday!** Horizon School Division approved the plan Reflections By Richard submitted to the division. This includes only taking individual photos. There will not be any class or other group pictures.

Parent-Teacher interviews are scheduled for Monday November 9th from 3:30-7:30pm. This year we are hosting these via phone. Next week you will receive a message informing you of the process, which will include instructions for scheduling phone interviews with your child's teacher(s).

**Extracurricular activities are still suspended.** We look to learn more about this on Monday.

Have a safe and fun weekend!
