October 9, 2020

Good afternoon everyone,

Happy Thanksgiving to each of you! There are many things we can be thankful for here at Three Lakes School, starting with the great group of students we have.

Today you should have received an email from our SchoolMessenger system. This was only a test. If you did not receive an email, please call the school office on Tuesday morning to let us know.

Our Cross-Country team placed sixth out at districts. We are proud of all of the students who participated this year. Individual performances included Cara Dobrohoczki winning her Sr. Girls event, Breanna Brockman winning her Jr. Girls event, and Akeisha King winning third in Jr. Girls. Congratulations to each of them, and again, congratulations to all of our cross-country runners for putting out their best efforts.

If you completed our Three Lakes School Contingency Plan survey we thank-you for helping us. If you have not completed the survey you can link to it [here](#). This survey is intended to help us know what technology supports our families may need in the case we are in a learning from home situation.

This is all for now. I wish everyone a safe and wonderful Thanksgiving and look forward to seeing our students back next Tuesday.

- *Mr. Burke*
