

Three Lakes SLC Stars Air Ambulance Fundraiser

Beginning Monday April 19th and continuing to June 4th the SLC will be hosting a fundraiser to support Stars Air Ambulance.

Mr. Burke has agreed not to cut his hair for the duration of this fundraiser, creating the opportunity for his hair to be long enough to be styled (buzzed, mohawked, dyed, etc) on June 7th.

Who will be the hairstylist? It could be you!

How to earn a chance to be the hairstylist:

- For every \$2 you donate during the fundraiser your name will be entered into the draw
- One name will be pulled on June 4th
- That person will decide how Mr. Burke's hair will look for the week of June 7th to 11th
- Hairstyling day will be June 7th

One Catch:

Mrs. Burke does not like seeing Mr. Burke's hair grow for more than two weeks. In fact, Mr. Burke's hair is already due for its two week cut. So, Mrs. Burke has challenged the entire student body to raise a minimum of \$10 a week. If \$10 is not raised one week, Mrs. Burke gets to cut Mr. Burke's hair on the weekend, starting the hair growth process all over. Mrs. Burke will be donating \$10 a week to fulfill her end of the challenge.

Mr. Burke has agreed not to cut his hair as long as we raise the minimum \$10 a week in support of the great service that Stars Air Ambulance provides our province. It could be your imagination that determines what Mr. Burke's hair will look like for a week!
