Re: Suspicious Incident in Nokomis Area

On November 14, 2017, a student at Nokomis School reported to the school principal that a suspicious person approached him on the way to school, asking if he wanted a ride. This suspicious person was described as a middle-aged white male with brown and gray hair. This person had glasses, a shaved beard and a deep voice. He was driving a beige Chrysler van with rust around the rims. The licence plate number included a 2 and 3.

The principal notified the student's parent and the incident has been reported to the RCMP.

The safety of our children is paramount in Horizon School Division and we feel that it is important to notify parents of this suspicious incident. We will take this opportunity to speak with children at the school about safe behavior as it relates to strangers. We know that you as parents/caregivers will continue to share this message with your kids at home.

Thank you for your immediate attention to this matter.
