Re: Suspicious Incident in Quill Lake Area (Update)

Early this morning (June 19, 2019), a student of Quill Lake School reported to the school principal that a group of suspicious people approached him on the way to school. These suspicious people were reported to be driving an older green and gray van with tinted windows. The van matches the description of one previously reported as suspicious in another community. (A previous version of this memo included a license plate number that has been determined irrelevant to this incident.)

The principal notified the student's caregivers and the incident has been reported to the RCMP. The RCMP will be visiting the school later today as part of their investigation.

The safety of our children is paramount in Horizon School Division and we feel that it is important to notify parents of this suspicious incident. We will take this opportunity to speak with children at the school about safe behavior as it relates to strangers. We know that you as parents/caregivers will continue to share this message with your kids at home.

Thank you for your immediate attention to this matter.

A handwritten signature in blue ink, appearing to read 'Kevin Garinger', is written over a light blue circular stamp.
