

# What's Up @

*At this time of the year, it's important to make sure that your children are properly dressed for the colder weather. They need hats, mittens or gloves, a warm coat, snow pants and boots to stay warm and dry. Gloves, mittens and socks can become wet when playing outside, so it's a good idea to send extra pairs in your child's backpack. The students go out for recess on most days to get fresh air and have some fun!*
