

Dear Business Owner,

The Yearbook Committee needs your help! We are looking for sponsors to help support the making of this year's 2017-2018 yearbook.

If you are interested in helping us finance our yearbook, you have two options to choose from. The first is to purchase a \$50.00 business ad (the ad is equivalent to the size of a business card and includes business logo and contact information). The second option is to purchase a name sponsorship for \$25.00 (this includes mention of your name or business on a sponsorship page) Please have form filled out and money sent back to the school by **Friday, October 13th, 2017.**

Your help is GREAT APPRECIATED!

Thank you in advance for your generosity,

Three Lakes School Yearbook Committee

I would like to show my support by purchasing a:

\$25 name sponsorship (Name you would like to see on sponsorship page)

\$50 business ad (Please attach a business card for address information and logo)

Thanks for all your help and support for this year's fantastic yearbook!!!
